

REMOTE VIEW GUIDE

How it works:

What we need from you:

- One person who can view the images and contact us immediately if they see something that needs reshooting
- When giving feedback please call the studio on 01442 231 220 (Not e-mail)
- Changes (re-shoots) that contradict the original brief are subject to further charge.
- We also need someone that is contactable throughout the shoot if any questions arise on our end.
- If you do not contact us during the shoot we will assume that you have approved the images
